

THE TYLER'S 2024 COLLECTION

OUR STORY

I'm Aron Tyler, a UK-based farrier with over 15 years of experience. I trained under Marc Thomas Jones DipWCF Hons, an key figure in farriery and hoof care. Recognising the significance of ongoing hoof maintenance, I've devoted myself to crafting effective hoof care solutions. With plenty of experience in horse riding, including 5 world titles as a games rider, I've gained key insights into stable management and the importance of healthy hooves.

Passionate about improvement, I've carefully formulated Tyler's Hoof Products using select ingredients. Extensively tested on horses and ponies across the UK and Europe, our products consistently deliver exceptional results, enhancing hoof quality and overall equine well-being.

As a family-run business based in Berkswell, Warwickshire, we take pride in hand-blending our products to ensure quality control and sustainability. From sourcing local & natural ingredients to prioritising recycled materials, we're committed to ethical production practices.

With ample stock and prompt delivery, I invite you to experience the transformative benefits of Tyler's Hoof Products. Your horse's hooves deserve the best, choose Tyler's today and see the difference for yourself!

Aron Tyler

HOOF OIL

Introducing Tyler's Hoof Oil, a premium, traditional solution crafted to perfection for optimal equine hoof care. Clear in color, this oil caters to all types of hooves.

NOURISHMENT

As seasons change and weather dries out, hooves can toughen, leading to cracks and chips. Tyler's Hoof Oil is your remedy, providing nourishment and moisture to combat dry weather effects.

CONVENIENT

With its user-friendly design, featuring a built-in brush, application is effortless, no more mess, just effective results.

ALSO AVAILABLE IN A 5L REFILL

PROTECTION

Indulge your horse in the luxury of this carefully concocted product, enhancing hoof health and shielding against environmental damage.

Trust in the proven effectiveness of Tyler's Hoof Oil, exceeding the expectations of equestrians and enthusiasts alike. Elevate your hoof care routine and ensure your horse's hooves are always ready for any terrain. Choose excellence with Tyler's Hoof Oil for unparalleled hoof perfection.

ANTI-BAC SPRAY

Introducing Tyler's Anti-Bac, your horse's ultimate hoof care solution! With a meticulously selected blend of premium ingredients, Tyler's Anti-Bac is dedicated to promoting and nourishing healthy soles with every application.

NATURAL

Our carefully curated formula features natural ingredients renowned for their antibacterial properties and nourishing benefits, ensuring robust protection against unwanted invaders while rejuvenating tired soles.

PROTECTION

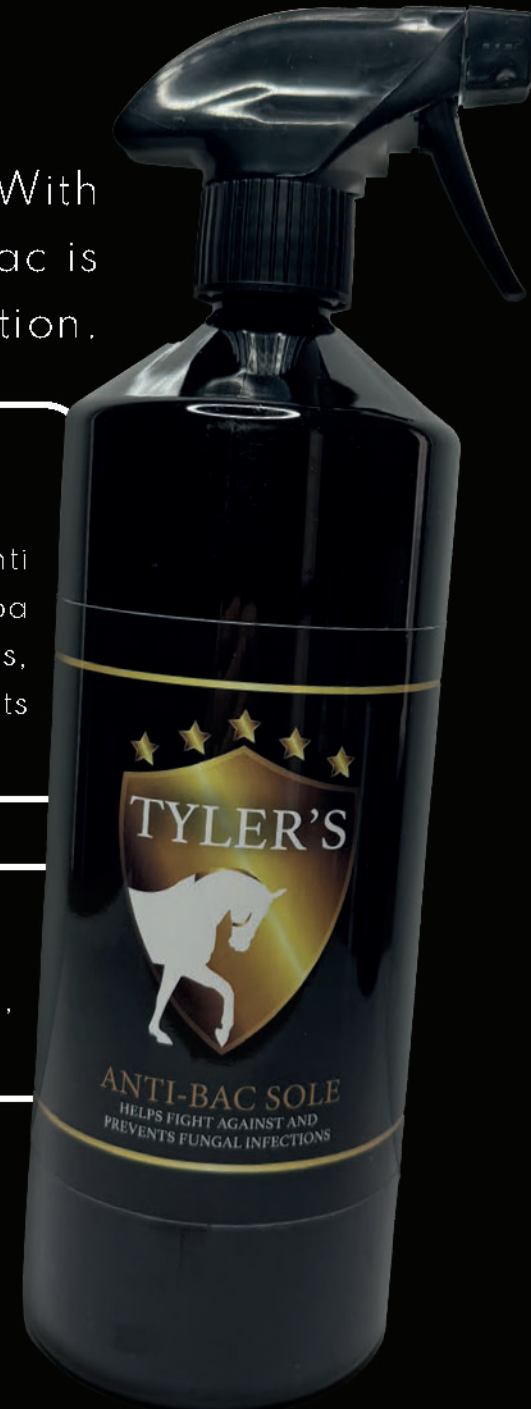

More than just protection, Tyler's Anti Bac provides essential nutrients for a spa day experience for your horse's hooves, guaranteeing happy and healthy results every time.

RELIABLE

From routine care to targeted concerns, Tyler's Anti-Bac consistently delivers reliable results, offering a trusted shield against infections and discomfort for your equine companion.

Join the community of equestrians who rely on Tyler's Anti-Bac for superior hoof care. Give your horse the gift of perfection and purpose with Tyler's Anti-Bac, where every drop embodies excellence in hoof care.

HOOF BUTTER

Introducing Tyler's Hoof Butter – a premium balsam treatment for discerning horse owners. This unique formula combines the nourishing benefits of traditional hoof oil with an added touch of brilliance, leaving your horse's hooves with a glossy sheen that speaks volumes about their health and vitality.

QUALITY

Our Hoof Butter stands out for its luxurious melted butter-like consistency, ensuring a smooth and delightful application experience. Instantly transforming your horse's hooves, it creates a protective layer that seals in moisture and imparts a radiant glow.

CARE

Pamper your horse with the finest hoof care experience, showcasing hooves that radiate health, vitality, and captivating shine. Choose Tyler's for everyday elegance and care, elevating your grooming routine with unmatched quality and sophistication.

DAILY USE

Perfect for daily use, Tyler's Hoof Butter maintains hoof health between events and shows, allowing you to reserve traditional oil treatments for special occasions. Its long-lasting effects keep hooves moisturised and resilient in changing weather conditions, adding an extraordinary touch to your grooming routine.

HOOF WAX

Introducing Tyler's Hoof Wax – a revolutionary hoof care solution designed for discerning equestrians who prioritise the health and resilience of their horse's hooves. Available in both classic black and natural variants, this cutting-edge hoof wax is crafted to perfection, providing a temporary yet highly effective seal for cracks and old nail holes.

PROTECTION

Tyler's Hoof Wax stands out for its blend of natural ingredients: premium beeswax, invigorating eucalyptus, and the antibacterial properties of tea tree oil. This unique blend not only provides a protective barrier but also actively shields your horse's hooves from harmful bacteria, ensuring optimal hoof health.

SIMPLE

Designed for ease, Tyler's Hoof Wax offers hassle-free application. Warm the wax in your hands for pliability, then mould it to fit gaps or holes on your horse's hooves. This user-friendly feature ensures targeted care without mess or inconvenience, so you can focus on your horse's well-being.

Whether preparing for an event, addressing specific concerns, or maintaining regular care, Tyler's Hoof Wax is the go-to for temporary crack and hole sealing. Enjoy peace of mind knowing your horse's hooves are fortified against external elements, thanks to Tyler's protective shield. Choose Tyler's Hoof Wax for a revolutionary hoof care experience that combines convenience, effectiveness, and natural power. Elevate your horse care routine with trusted quality and innovation, every application a step towards hoof perfection.

HOOF BRUSH

Introducing Tyler's Hoof Brush – an essential tool for discerning horse owners who value thorough hoof care. This innovative brush combines a hoof pick and wire brush, elevating your hoof cleaning routine.

EFFECTIVE

Crafted with precision, Tyler's Hoof Brush ensures effective hoof cleaning. The hoof pick removes debris with precision, while the wire brush efficiently cleans the hoof capsule, removing stubborn dirt and grime.

CONVENIENT

Designed for user convenience, this brush is easy to handle and streamlines the cleaning process. Incorporate it into your grooming routine to promote the overall well-being of your horse's hooves.

Choose Tyler's Hoof Brush for uncompromising quality in equine care, elevating your grooming experience with innovation and reliability.

HOOF OIL GLITTER EDITION

Introducing Tyler's Hoof Oil (Glitter Edition), where tradition meets sparkle for the ultimate hoof care experience. Crafted with premium quality, this glitter-infused formula adds glamour to your horse's hoof care routine.

PROTECTION

Like our classic hoof oil, Tyler's Hoof Oil (Glitter Edition) nourishes and moisturises hooves, protecting against seasonal changes and dry weather. Enjoy the luxurious sparkle while saying goodbye to worries about cracks and chips.

★UNIQUE

What sets Tyler's Hoof Oil (Glitter Edition) apart is its shimmering touch of glitter, perfect for adding a little bling to grooming routines. Unlike varnishes, this edition is easy to remove, ensuring hassle-free application and removal.

CONVENIENT

Featuring a user-friendly design with a built-in hoof oil brush, application is effortless and mess-free. Elevate your hoof care routine with the dazzling power of glitter, ensuring your horse's hooves shine bright and stride confidently.

Choose Tyler's Hoof Oil (Glitter Edition) for excellence in hoof care, putting your best foot forward with every use.

TYLER'S GO & SHOW

Introducing the revolutionary Go & Show Hoof Oil, the ultimate solution for achieving that flawless turnout just moments before stepping into the arena. We've all experienced the frustration of applying hoof oil only to accidentally splatter it on our light jods. But fear not, because the Go & Show Hoof Oil is here to save the day.

★ UNIQUE

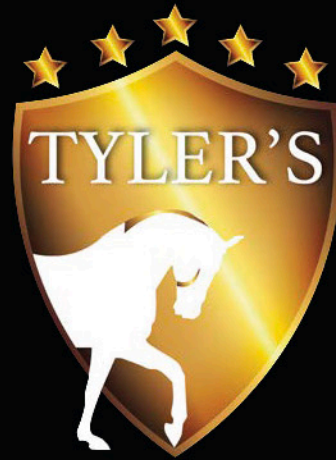

The same premium natural formula as our traditional Tyler's hoof oil, now with a super unique and handy applicator for mess-free precision every time.

✋ CONVENIENT

Designed for on-the-go grooming, this compact product fits perfectly in your pocket or grooming kit, ensuring it's always within reach for those last-minute touch-ups. Whether you're at a competition or grooming at the yard, rely on the Go & Show Hoof Oil for outstanding results without any hassle.

Experience the convenience and effectiveness of the Go & Show Hoof Oil for yourself. Elevate your grooming routine to the next level and ensure your horse always shines with confidence in the arena. Choose convenience, choose excellence, choose Tyler's Go & Show Hoof Oil.
